

SAFER INTERNET DAY 2019

What is the
BIG deal
about BIG data?

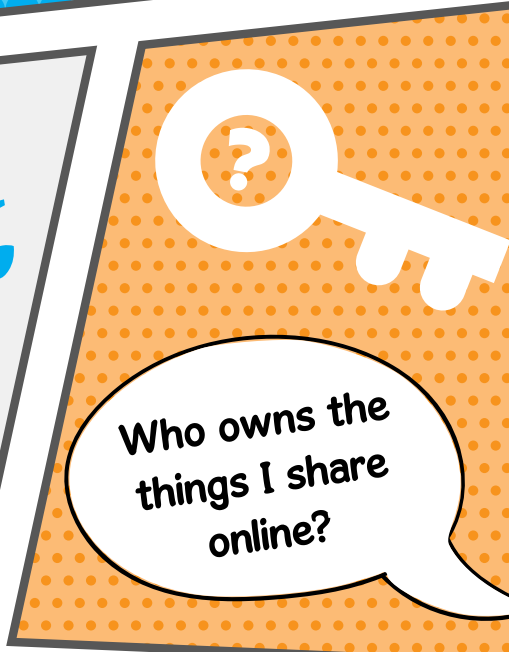

How do we take
better control of
our lives online?

How much does
the internet
really know
about me?

#OurInternet
OurChoice

Who owns the
things I share
online?

Do I have to ask
permission before I share
anything online?

How would you feel if
someone shared something
about you online
without asking?

#SaferInternetDay2019

5 February 2019

Together for a better internet
